A MESSAGE FROM THE CHAIR

It is with great pleasure, I want to welcome presenters, organizing committee members, reviewers and session chairs to our second conference dealing with global education issues. This conference is designed to serve as an important meeting for the discussion and exchange of ideas and information to enhance understanding, appreciation, and cooperation among diverse groups of educators. The sessions and the papers deal with opportunities and challenges faced by education.

This document contains abstracts in several important subject areas of education. The collection of abstracts exhibit an excellent selection of quality submissions. The authors are from various universities located in different parts of the country. Please note that proceedings of this conference will be available soon and we plan to distribute globally.

I want to extend my sincere thanks to conference organizers and participants for their support.
